

Ways a Parent Can Help with **LEARN TO READ**

1 Let your child see you reading!

Have magazines and books in your home.

2 Look for appropriate word and reading games online to play with your child

3 Ask your child to draw a picture or write about what happens in a story.
Keep paper, notebooks, pencils, pens, markers and crayons available in your house.

4 When you're reading a magazine or newsletter, ask your child to look on the pages for pictures that start with a certain sound.
Do you see a picture of a thing that starts with "p"?

5 Set aside a time and place for reading -
like a comfy chair with a reading light for bedtime stories

6 Visit your public library regularly.
Find and read together the books that were your favorites when you were a kid.

7 Enjoy reading with your child.
Laugh at silly pictures. Make goofy voices.
Have fun!

8 Ask your child questions about the story as you read together:

- What is the story about?
- Why do you think he/she made that choice?
Was it a good choice?
- Why did that happen?
- What do you think will happen next?
- What was your favorite part of the story?
Why?

9 Make a game out of finding words that rhyme or that start with the same sound

10 After you finish reading a story, look back at a page and ask your child to find common words.
"Can you find the word ___?"
Use words like: the, me, up, and, go, run, can, to, stop

11 Teach your child to recognize his or her own name

Read out loud to your child -
books, poems, nursery rhymes, recipes, billboards,
newspaper articles, ads, signs - whatever words you see!
